MEMORANDUM FOR: Chief, External Research Staff, OIR
SUBJECT: "Soviet Theory of War", A Proposed Study of

1. Reference is made to your memorandum of 29 September enclosing External Research Report #26 prepared by your office in response to our request dated 12 September on the general topic of the Soviet theory of war. Your survey on the research and intelligence projects contained in the attached report has been found to be of great interest and of considerable use by our requestors. It is our understanding that further report on the subject will be forthcoming shortly, containing listing of work by Army G-2.

2. In accordance with your request we enclose a copy of the list of books available from the Library of Congress on the subject prepared by OCD.
